### ***DMV 2 Go Returns to Supplement Services in Norfolk Driver's License and ID Card Transactions Available Outside DMV Select***

RICHMOND – The Virginia Department of Motor Vehicles' mobile customer service center, called *DMV 2 Go*, will return to Norfolk offering supplemental services at the DMV Select location. On Friday, January 25 from 9 a.m. until 4 p.m., *DMV 2 Go* will be open for business outside the Norfolk DMV Select at 810 Union Street, Norfolk, 23510.

The handicapped-accessible full service office provides all DMV transactions including applying for and renewing driver's licenses and ID cards. Road and knowledge tests are available, and applicants may get their pictures taken. Customers may apply for Virginia's new veterans ID card.

*DMV 2 Go* compliments services already provided by the Norfolk DMV Select operated by the Commissioner of the Revenue's Office. The 57 DMV Selects throughout the state provide an alternative to visiting a full-service DMV customer service center. DMV Selects process a number of transactions including vehicle titles and registrations, license plates, and transcript requests. DMV Selects do not issue driver's licenses, learner permits or ID cards, and that's where *DMV 2 Go* comes in.

"Our mobile offices supplement the great work DMV Selects are already doing," said DMV Commissioner Richard D. Holcomb. "Previous visits to the Norfolk DMV Select have been successful, so we know customers are enjoying this option."

In 2013, *DMV 2 Go* will visit the Norfolk Select bi-monthly. Other upcoming visits include March 22 and May 24.

Customers are encouraged to research and bring the required documents to complete their transactions. To determine what documents are needed, use the interactive document guide at [www.dmvNOW.com](http://www.dmvNOW.com).
